Kanata Mayfair Parade 1975

"Post Mortems"

This year's parade was very well supported by Kanata groups. A great deal of effort was obviously put into their entries. A total of eighteen floats were entered of which five were from clusters. Most of the awards were won by clusters this year. Since there is a rumour that a trophy may be donated for the best cluster entry next year, they are likely to be in a separate category. This will give more opportunity for other entrants to win in the future.

The list of winners follows:-
Trophy for best overall entry: Lamer-Varley Cluster (\$20.00)
Second place overall: Kanata Theater (\$20.00 prize)

Third place overall: Beaverbrook Lane Cluster
Special merit: Sandwell-Leacock Cluster

Best cluster entry: Jackson Court Cluster (40 of Scotch)

Winners in the children's categories were:
Decorated bicycles - First: Carolyn and Owen Skene (\$4.00)
- Second: Jeff Gould (\$3.00) - Third: name missing (\$2.00).

Costumes:
- First: name missing (\$4.00); - Second: name missing (\$3.00); - Third: Duffy, Beverly and Andrew Wilkinson (\$2.00).

Merit
- Karen Gould (\$1.00); - Roger Silverthorn (\$1.00)

We would like to publish the missing names on the above list. Anyone who can supply this information should phone Rosalind or Peter Moller at 592-3365.

The judges, Sid Handelman, John Miacak and Jean-Ramseier were kept extremely busy during the short period of time available to them to complete the judging. In spite of this, the parade started within ten minutes of the scheduled time. A suggestion to have separate judges for

children's entries will likely be tried next year.

Not as many bands were in the parade as originally intended due to unexpected cancellations. Better luck is hoped for in that area for next year.

Mayfair A great party

by Doug Greger

All of us have been to parties that we felt were great. My family and hundreds of other Kanata families were at such a party on Mayfair weekend.

On Friday night some five hundred and fifty residents of all ages sampled the talent provided at what has become an annual highlight - MUSICANA. Doug and Sylvia Milne can be proud of the programme that they did so much to bring about. The reactions of the audience indicated its pleasure with the varied talent presented. The Earl of March youth kept things moving.

MC's Julie Britssee and Scotty McMillan made real contributions to our community. Our thanks to them all.

For those who were considering sleep Saturday morning this was not to be. The sound truck provided by Robhams (who incidentally provided a valuable service all weekend) encouraged residents to awake and join in or watch the PARADE. Despite uncertain weather conditions the parade was on. The Mollers, who volunteered their assistance to organize the parade can relax now and know it was a real winner. Cluster floats, decorated bicycles, costumed marchers, bands and majorettes made their way from Erskine Johnson to Earl of March much to the delight of onlookers all along the route. A delightful float involving many children won for Jackson Court the prize for best cluster float.

While the parade was making its way through Kanata several preparations were underway at the Earl of March High School. Booths were being assembled, products arranged for display, and refreshments readied for consumption. When the crowds descended all was in readiness ranging from the games of chance operated by Cubs and Scouts, greenery for gardens offered by the Horticultural Society, rummage available from the Earl of March Band, baked goods and crafts from the Kanata United Church, eye begging displays of art and craft work by Kanata-March arts groups to hot dogs and pop by Earl of March youth. Once again this resident was astounded at the artistic samples of various Kanatans indicating once again the uniqueness of our community. To Cathy Gourley, Mary Simpson and Mrs McMullen a sincere vote of confidence to you and your many helpers for the hard work necessary to organize this highlight. THE OUTDOOR CARNIVAL AND THE INDOOR ARTS AND CRAFTS part of Mayfair will be remembered with anticipation for next year.

The Kanata Theatre Group, always active and involved, once again came through with a top notch programme. Many children and some parents too watched a delightful performance of SNOW WHITE AND THE SEVEN DWARFS in the upper foyer. Many returned for the second presentation and, believe it or not, there was a third presentation. We are fortunate to have people like Larry Thornton to explain what plays are and why they are so much fun! Thank you all!

Balloons bursting, toddlers toddling, ladies kicking, oranges flying - all of these goings on occurred at the FIELD DAY run by the Cubs and Scouts. Novelty races were the order of the day and a fun time was had by all.

Meanwhile back in the cafeteria Max Husband and his boys were operating the BEER GARDEN - a place to get away and down a foamy with your neighbours. Perhaps it was the weather, perhaps the change of location but participation fell below the expectations of the organizers. To those who partook it was appreciated.

That heavenly aroma that pervaded the arena area was the work of "steak barbeque extraordinaire" Kanata-Carleton Rotary club. To Chris Robinson and his gang our deepest thanks for providing a sumptuous feast. The steak was great, the service efficient, and the good humour of your harried cooks and servers appreciated. It was interesting to note that many residents made a real picnic with friends and relatives, goblets and bottles of vino. That's great!

A fitting climax to this day of activity was the KBCA sponsored MAYFAIR DANCE AND CASINO. To Sheila McKee and Elaine Nichols, who kept their cool when some physical arrangement problems arose our congratulations for a great bash. The March Hares operated the bars with their customary efficiency and the fun provided by the Jaycee Casino was
