47th SEASON 2015-2016

4000 Miles by Amy Herzog

Directed by Sandy Wynne

This Pulitzer Prize finalist and *Time Magazine's* "best play of the year" explores both growing up and growing old. With his backpack, bicycle, and stories of his life-changing cross-country cycling trip in tow, 21-year-old Leo lands on the New York City doorstep of his 91-year-old leftist grandmother, Vera. Their month together is sometimes combative, yet always compassionate. These intergenerational roommates offer a wonderful mix as this funny, moving and revealing show delves into the intimacies and complexities of adult relationships with families, friends and lovers.

Radium Girls adapted by D.W. Gregory

Directed by Tom Kobolak

The Radium Girls were young working class women who painted the dials of watches and clocks for everyone – wondrous products with numbers that glowed in the dark in the 1920's. Their hair would glow after leaving the factory... Their boyfriends would smile. They became so sick that in court, they couldn't raise their arms to swear to tell the truth... For in Holy Sepulcher Cemetery, Newark, New Jersey, geiger counters held over the graves of women dead too soon will actually start to click....

Cat's Cradle by Leslie Sands

Directed by Susan Monaghan

Nothing tickles the entertainment bone more than a well crafted whodunit and *Cat's Cradle* has all the right ingredients. An unsolved kidnapping (murder?) occurred near or at the old coaching house in the remote English village of Waverton Magna. Detective Inspector Frost arrives on the scene determined to catch the killer who eluded him twelve years ago. He is not a welcome sight as nearly everyone in the village is a suspect. Can the world weary Inspector solve the mystery that has haunted him through his career? Can you?

The Odd Couple by Neil Simon

Directed by Jim Clarke and Ron Gardner

Felix Unger, the neat freak, has been kicked out of his house by his wife. Oscar Madison, the disorganized free spirit, is enjoying a bachelor's life. Oscar feels sorry for his friend and reluctantly takes Felix in, but as their polar opposite personalities quickly clash and the arrangement becomes unmanageable, the friendship frays at the ends.

Calendar Girls by Tim Firth

Directed by Tania Carrière

This is a true story of a very ordinary group of women who spark an uproar with a very untraditional charity fundraiser to honour one of their husband's fight with Leukemia. Dropping everything for a good cause, their modesty spared only by artfully placed cakes, knitting and flower arrangements, their calendar puzzles their husbands and mortifies their children, and sparks a global phenomenon. A story of courage, *Calendar Girls* is quirky, poignant and hilarious.
